Objective : To obtain a position as a creative graphic designer

## PROFILE

Three years in a work environment helped me assimilate and surpass the clients' expectations. My approach is simple, modern, refined and effective. Deadlines and obstacles never interfere with my professionalism due to my excellent knowledge of the graphic production line.

- Excellent knowledge of **Adobe creative suite** and **Office suite** on **Mac** and **PC**
- Great knowledge of **Dreamweaver, Flash, After Effects** software and **HTML** Language
- Casual collaboration with **printers, cover teams** and **transporters**
- Ability to work effectively in a **team environment** and build **positive relationships** with clients, colleagues and providers
- Fluent in **French** and conversational in **Spanish**

## WORK HISTORY

**2007/2008** : **Graphic Designer** for a event marketing agency in Paris. (Vision de marques)

- Advisement clients regarding their demands and expectations
- Choice of various providers depending of needs.
- Involvement in the entire production (folders checking, dead-lines, printers, transporters, cover teams)
- Graphic creation of various projets : hotel redesign, total car covering, facade sticking, ... etc

**2007/2009** : **Freelance** projects concurrently with my day works (on the evenings) (France and Quebec)

- Clients prospection (mails, phone, art galleries, ...etc)
- Briefings and graphic answered
- Quotation, billing and copy rights

**2006/2007** : Intern for **FM Media**, event communication agency in Paris

- Artistic director assistantship
- Manipulation of POS material, kakemonos and posters for street marketing projects.
